MEDIUM BOWL TOP GRATER GL05-00-002

COARSE BOWL TOP GRATER GL05-00-003

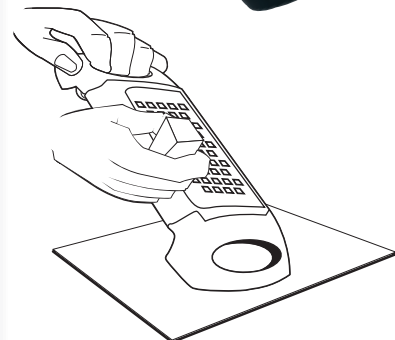

BOWL TOP SLICER GL05-00-004

For people who like to cook.

The Gourmet Choice Bowl Top Graters expand to clip over most sizes of mixing bowl. You can then grate directly into the bowl rather than having to use a separate container.

There are four variants to choose from (small, medium, coarse and slicer) and all graters can also be used traditionally, without being clipped to a bowl.

Use as a normal hand-held grater or expand handles to fit over a bowl
