Coloured Knives & Gift Sets

Our range of coloured gift sets are sure to brighten up any kitchen.

taylor's
eye witness since 1838

Taylor's Eye Witness was founded by John Taylor in the early part of the 19th Century. They have stood the test of time through an unrelenting dedication to quality, service and good old fashioned technical know-how in the design and production of kitchen knives and scissors. What they don't know about knives isn't worth knowing!
