Premier  
Collection

- Hand made in Sheffield by skilled craftsmen
- Lifetime guarantee

Eye Witness Pocket Knives have been a treasured possession throughout the world for over 150 years and are still made in Taylor's Eye Witness' Sheffield factory. The Premier Collection is constantly changing with only a limited amount being made in any one design by craftsmen with skills garnered over many years using only the finest materials. Each knife comes with a complete guarantee.

Each knife is hand made and comes with a presentation gift box, signed exclusively by the craftsman.

taylor's  
eye witness since 1838

Taylor's Eye Witness was founded by John Taylor in the early part of the 19th Century. They have stood the test of time through an unrelenting dedication to quality, service and good old fashioned technical know-how in the design and production of kitchen knives and scissors. What they don't know about knives isn't worth knowing!
