

Highly regarded for their quality by professional chefs, Veritable Sabatier knives are the knives of choice.

Made in France, these well balanced knives have blades drop forged from a single piece of high carbon stainless steel that is precision ground and hand honed for a perfect cutting edge. Three solid brass rivets secure the tough, high-density handle firmly to the blade for reliable, superior performance every time.

- **Made in France by skilled craftsmen**
- **The quintessential Sabatier knife**
